---

## DESCRIPTION

---

**ADP-DECK WASH** is a powdered concentrate that is mixed with water. It is an environmentally friendly product that safely cleans and restores the natural beauty of exterior wood , composite and hardwoods. This product also removes mold, mildew and algae along with the silver gray color that can develop over time. Restores wood , composite and hardwoods to their original appearance. Unlike chlorine bleach based cleaners, ADP-DECK WASH is biodegradable and will not harm wood fibers, pets, grass, or most plants.

---

## USES

---

**ADP-DECK WASH** removes dirt, grime, mildew stains, and weathered graying from horizontal and vertical wood, composite and hardwood surfaces. It is recommended for surface preparation prior to application or reapplication of clear finishes and stains

---

## BENEFITS

---

- Restores the natural beauty of wood
- Contains no acid or chlorine bleach
- Safe for plants and animals
- Biodegradable

Use 8 ounces of ADP-DECK WASH powdered concentrate with each gallon of water.

**STEP 1: MIX:** Mix with water and stir thoroughly until powder is mostly dissolved. Powder dissolves faster in warm water. Solution should be used within six hours of mixing.

**STEP 2: APPLY:** Horizontal Surfaces: Apply ADP-DECK WASH solution with sprayer, brush, or mop, working on small areas, (20-30 sq. ft.) at a time.

**STEP 3: BRUSH:** Horizontal Surfaces: Let solution stand approximately 15-20 minutes, keeping area wet with additional ADP-DECK WASH solution. Thoroughly scrub with a stiff, short bristle broom or brush.

**Vertical Surfaces:** Let solution stand approximately 15-20 minutes, keeping surfaces wet with additional solution. Thoroughly scrub with a stiff, short bristle broom or brush working from bottom to top. ADP-DECK WASH will open wood pores for easy cleaning.

**STEP 4: RINSE:** Rinse thoroughly with water from hose or pressure washer using lowest pressure that cleans without damaging the wood. Repeat steps 2-4 on next small area. Rinse cleaned area of vertical surfaces to avoid streaking as work progresses. Allow wood surfaces to thoroughly dry before applying finishes.

Coverage: One gallon of ADP-DECK WASH cleans and restores 100-200 square ft. depending on wood porosity.

**STEP 5: BRIGHTEN:** After cleaning the entire project, brighten wood by using ADP-DECK BRITE.

This is an essential step before staining.

---

#### CAUTIONS

---

Contains sodiumpercarbonate. Do not mix with chlorine bleach or other chemicals. Store in original container only. Sweep up spills and flush down drain. Contact with combustible organic materials may cause fire. Accumulation of product on ladders, scaffolding, decks, etc., may result in a slippery surface. Avoid contact with eyes and mucous membranes and prolonged contact with skin.

**First Aid:** In case of eye contact, flush with water for 15 minutes and get prompt medical attention. If swallowed, give milk or water. Do not induce vomiting. Call a physician immediately.

---

#### LIMITED WARRANTY

---

**AMERICAN DECK PRODUCTS** warrants this product to be free from defects for six months from date of purchase. Any claim must be made in writing, accompanied by proof of purchase. We will only be obligated to replace the product or refund the purchase price. There is no other express warranty. AMERICAN DECK PRODUCTS shall not be liable for incidental or consequential damages resulting from any breach of this warranty and fitness for use. Some states do not allow the exclusion of incidental or consequential damages, so the above warranty may not apply to you. This warranty gives you specific legal rights. You may also have other rights, which vary, from state to state.

---
